It's one thing to win the World Championship of Public Speaking. It's another thing entirely to coach 8 subsequent World Champions and 24 Top Three Finalists. A long-time friend of District 30, David Brooks, DTM, is returning to once again serve our District. David is a professional speaker, trainer, writer, editor, and coach. He has taught more than 100,000 business communicators to speak and write clearly, concisely, and confidently.

**Come learn from a master speaker, teacher, and mentor!**

**Bonus:** Meet and Greet with David Brooks Friday June 24th. Watch the d30 website for further details.
